Foreword

The O-at-kan staff and the Class of '63 are proud to present to you this yearbook. Much time and effort has been spent by many in an attempt to make this not just a good yearbook, but an exceptional one.

Our theme revolves around the letter "L". This "L" stands not only for Le Roy, but also for such qualities and ideas as leadership, love, life, loyalty and labor. These words and the ideas they impart have helped guide us through our high school years, and we hope they will be equally inspiring to us throughout the many years to come.

Dedication

Miss Evelyn Fortmiller

In our years at Le Roy High
There's no one we can name
Who has given as unselfishly
That her students, all, might gain.

Of all the people dear to us,
She'll remain in our memories
As one who represents to all
The best of qualities.

Recognition

Mrs. Grace Leanen

A finer senior advisor
More respected than is she,
Is very difficult to find
As all seniors will agree.

Her readiness to lend a hand,
To help us with a smile
And her sunny personality
We'll remember all the while.

Miss Margaret O'Donnell

Michael Pridgeon

Ever he sought the best, ever found it.

There can be no finer tribute to Mike who was, himself, so endowed with the attributes of character, scholarship, leadership and service, than his own words and thoughts on these qualities.

"Character is a compound of all the finest moral and spiritual qualities. It is above reputation and is measured not only by words and deeds, but also by silent thoughts and unspoken motives. It is the final goal of all education.

Scholarship is the power of mind to dispell ignorance. Scholarship is within the reach of everyone, but he who desires it must earn it by putting forth a faithful effort. Scholarship gives light to men to distinguish between right and the wrong, the good and the bad, the true and the false, the just and the unjust.

Leadership is based on the power of personality. The leader must be able to keep faith with the trust that his companions place in him by their recognition of his leadership. To him that uses this great gift wisely and well, the world gives full measure of honor and glory.

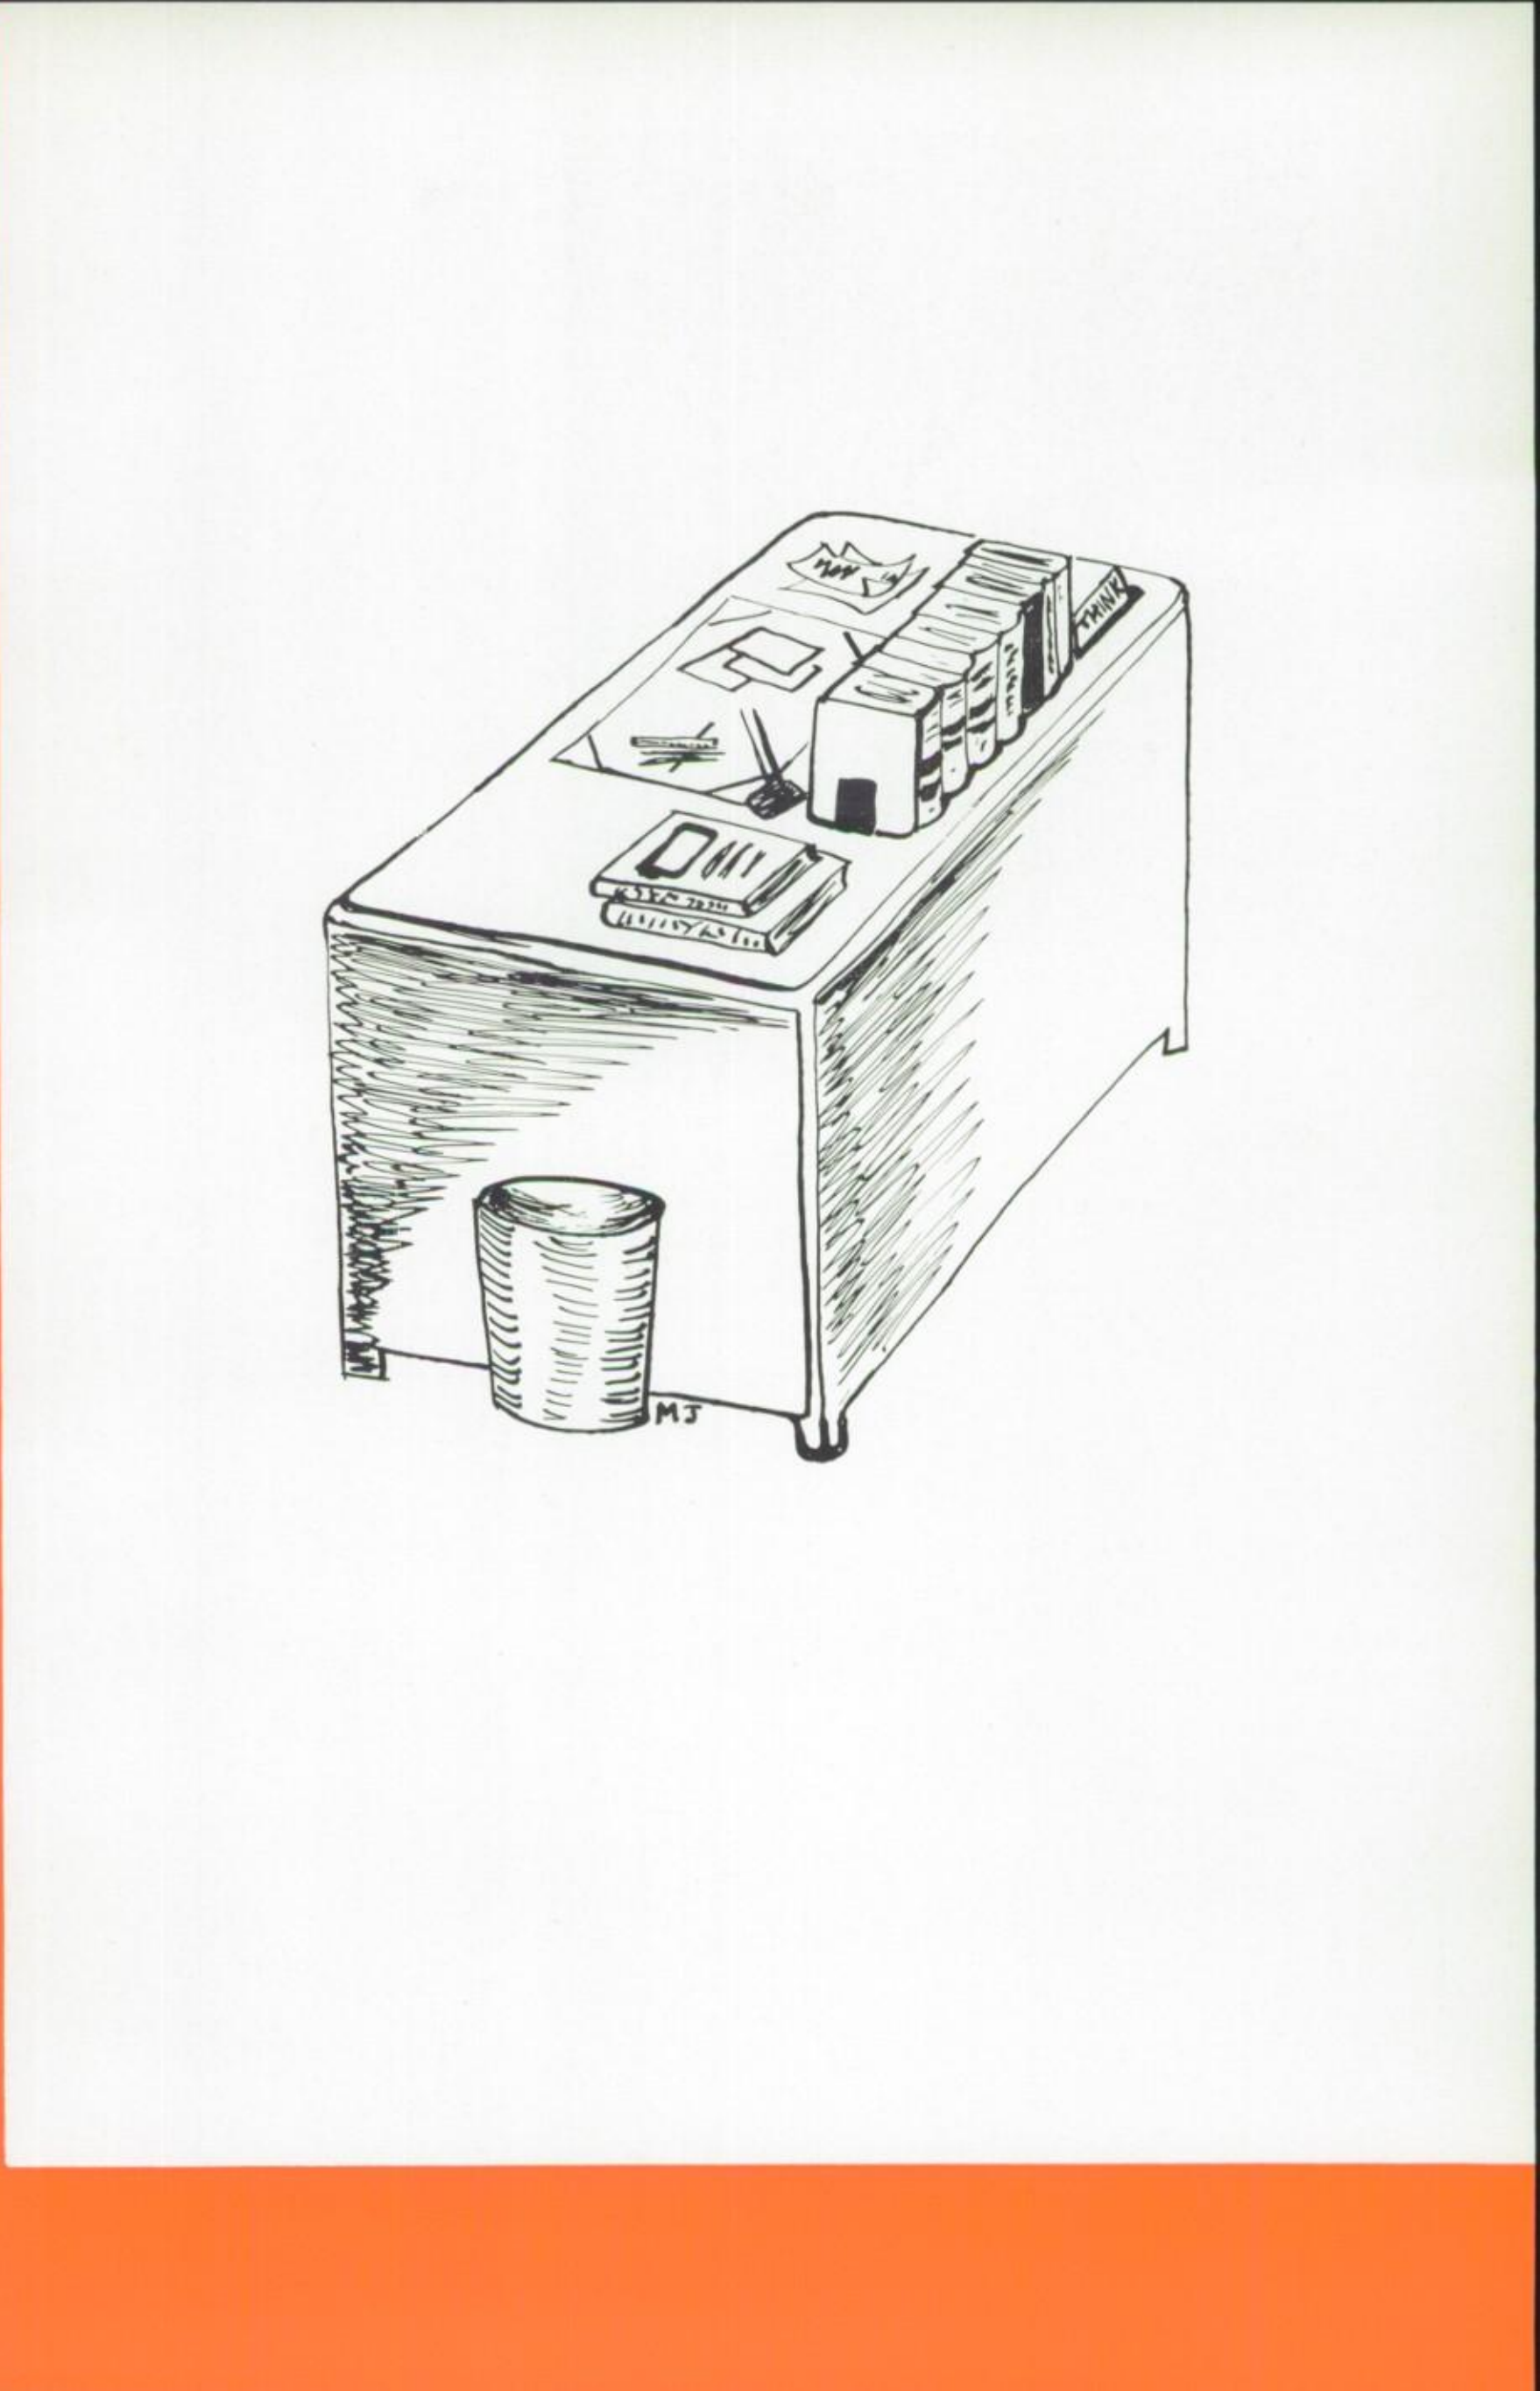

Service is giving — not only of our means and time but also of ourselves, not only for praise but also for the love of fellowmen. One who serves gives much of himself and gives it willingly. May you strive well to serve your generation for "He who would be greatest among you must be the servant of you all."

The Senior Class

With a great deal of optimism and overwhelming enthusiasm the Class of '63 entered their Senior year. Under the capable leadership of Allan Wade, president; Gary Scott, vice-president; Joe Costa, treasurer, and Betty Lou Leone, secretary, we began our whirl-wind of activities.

The first big project was to "tackle" the job of selling refreshments at home football games. As may be expected it took a lot of organization and hard work to feed all those cold, hungry spectators.

The annual Senior Spaghetti Supper, held in December, was next on our agenda of activities. It was a greater success than even we had anticipated, and the clean-up afterwards went like clock-work.

Then too in December, thanks to a few hearty Senior boys,

the community again this year enjoyed a beautifully decorated Christmas tree on the lawn in front of the school.

In February our class held a Carnival Dance. As may be expected this too was a howling success, and added greatly to our Senior treasury.

On May tenth and eleventh, the Senior Play entitled "The Mouse That Roared" was seen and enjoyed by all.

Then, on Saturday night, May 25, the annual Senior Ball was held. This proved to be one of the lasting highlights, not only of our Senior year, but of our entire school career.

We would now like to extend our deepest appreciation and thanks to our three wonderful senior advisers, Mr. Lane, Mr. Cahill, and Mrs. Leanen, who throughout our entire Senior year remained a constant inspiration to all of us.

The Junior Class

Our Junior Class started on its road to a successful year under the capable leadership of David Graham, president; Patsy Feneran, vice-president; Dick Scott, secretary, and Larry Basom, treasurer.

The greatest event of the year for our class was the Junior Prom, held December first, with "Could This Be Magic" as the theme, and Johnny

Brunson and the Tempos providing the music. This was one of the most remembered occasions of the year, and after tossing our pennies into the wishing well we all went home feeling a little starry-eyed — especially Theresa Martina and Ronnie Paganin, for they had been crowned our king and queen.

Among the various activities sponsored by the Junior Class to raise money was a baked food sale, which wasn't too profitable, but lots of fun.

Another event was the "Oldies But Goodies" dance on February sixteenth. This proved to be a big success because everyone came to hear

their favorite hit from the past, and to participate in our Bristol Stomp and Charleston contests.

Something new this year was tried by our class — a chicken barbeque, which was held at the beginning of spring and proved to be very profitable.

As many have noticed the most care-free students of our school seem to be the Juniors, but with the guidance given to us by our advisers, Mr. Borelli, Miss O'Donnell and Mr. Eherts, how could we help it? Without their advice we surely wouldn't have had as much fun while accomplishing all we planned.

The Sophomore Class

We began our Sophomore year by choosing very capable officers: Bill Dedman, president; Dane Sprague, vice-president; Jim Burrell, secretary and Ted Lapp, treasurer. Our class was also guided by Mr. Mangefrida,

Mr. Joslin and Miss Suttell as advisors.

As a class the Sophomores have been very active in all school sponsored events. We have also held numerous activities of our own, including the Combination Hop, at which the fine western voice of Mr. Joslin was heard. Then, in March, we sponsored a Hawaiian dance with a hula-hoop con-

test—just to break the monotony of a long winter. In our assembly program our talent really shone forth with cheerleading, singing and a fashion show.

We feel our class shows great promise in the years ahead, but we'll always look with much fondness upon this our Sophomore year.

The Freshman Class

A new slate of officers was the first duty of the Class of '66 as it began its journey through high school. Our president, Cindy Lamendola, was aided by vice-president, William Falcone, secretary Lynn Gillmor and treasurer, Joseph Prinzi. Our class advisors were Mrs. Graney, Mr. Klingensmith and Mr. Taylor.

We started off our fund raising activities with a candy sale. With the advent of the basketball season the Freshman candy and pop stands were

opened for business. What may have seemed like work was made fun by the enthusiasm of the members of our class. The first dance we sponsored gave a lift to the Thanksgiving holidays. Our class assembly was presented with the theme being the future success of the various members of our class. In the latter part of the year we held another dance which was also a big success.

Our class has worked so well together this year, and we've all had so much fun that we are finding it hard to believe that any of our remaining high school years could possibly be more fun.

The Eighth Grade

To start off this year on the right foot, we elected the following officers: Richard Robinson, president; Jeffrey Stadel, vice-president; Kenneth Barnard, secretary, and Karen Basom, treasurer. To help these officers and

our class we had Mrs. Murphy and Mr. Cave as our advisors.

In October we had an eighth grade fun night, and though it was a lot of hard work, the fun we had in the end more than made up for it. Then, in December we had a dance, and this too was a rousing success.

Having had such fun this year, we just can't wait to begin our high school career — yet, we will never forget our eighth grade year.

The Seventh Grade

The big step from sixth grade to junior high school can be a pretty exciting one. The first thing we did as seventh graders was elect our class officers, Tom Woodruff, president; Judith Smith, vice-president; Lauretta Williams, secretary and Cheryl Angst, treasurer. For our homeroom

representatives we chose Robin Heins, Doug Snell, Chris Brodien, and Frank Perhamus.

We started the year off with a Fun Night. Then, in February, we participated in an assembly with the eighth graders. We had a lot of fun putting it on, and also had a chance to work together.

To make our year even more complete we were lucky enough to have as our advisers, Miss De Voe and Mr. Hackenberry. On the whole, we had a very successful and very exciting Seventh Grade year.

The Le Roy Chapter of the National Junior Honor Society was organized in the autumn of 1962 under the guidance of Mr. Hackenberry. Its goal is "To create an enthusiasm for superior scholarship; to develop loyal pupil citizenship; to stimulate a desire to serve faithfully one's school, community, and country; to promote trustworthy leadership and to instill exemplary qualities of character in students".

On October 31, 1962 the National Honor Society conducted an initiation ceremony

for the first members of Le Roy's chapter of this organization.

Many activities took place during the school year. We had a meeting with a fine speaker and went bowling one afternoon as a group.

National Junior Honor Society consists of not more than ten percent of the eighth and ninth grades. Students must have a ninety average or better and be in the top third of their class to be considered for admission.

STUDENT COUNCIL OFFICERS, From Left: J. Lapp-President; S. Griffith, Secretary; M. Crane, Treasurer; D. Peters, Vice-President.

The governing body of Le Roy High School is the Student Council whose primary purpose is to develop school spirit and to improve the school in every possible way. This year's officers were: James Lapp, president; Darleene Peters, vice-president; Susan Griffith, secretary; and Manley Crane, treasurer.

The year has seen many changes in the council in the form of stricter attendance rules, changes in the Student Council Constitution, and the development of more school spirit. The success of this year's Student Council is an example of what can be achieved through whole-hearted student cooperation.

Audio-Visual Department

Two of the most active organizations in school are the Audio-Visual Club and the Public Relations Center. Although the work of the clubs is closely allied, each does a specific service for the school and the community.

The AV Club's work fulfills a wide range of activities from the daily routine of delivering films and equipment for classroom use to such specialized fields as the yearly production of a school oriented feature film. To provide these services the club, under the direction of Mr. Ross E. Stitt, author of manuals in public relations and audio-visual training, trains its members in administration, secretarial work and the operation and maintenance

of audio and video equipment. Two important, but partly extra curricular activities, are the films in guidance and science the club provides for the students during the noon recess, and the training of members for community work.

The Public Relations Center, which is responsible for the school's news coverage, handles not only the usual newspaper but also produces a radio program of the school activities which is aired over a local radio station.

Le Roy is very proud in that it has one of the finest Public Relations Centers and Audio-Visual Departments in the area.

Oatkannaires

The Oatkannaires is a select choral group of students in their Freshman through Senior years. They meet each Tuesday and Thursday under the direction of Mr. Lane to prepare for their many performances. Many of the students were in the operetta "Flower Drum Song" and helped to make it a fine production. As a group the chorus performed in the Fall, Christmas and Spring Concerts as well as providing entertainment for the Rotary Club and Class Night.

Some advanced students of the group meet twice during the week with Mr. Lane to receive voice training and some music theory instruction. These students have sung for the Woman's Club and Faculty Tea as well as their participation with the mixed chorus at their performances.

Girls' Chorus

This year, the Girl's Chorus, under the expert direction of Mr. Lane, held rehearsals Wednesday and Friday afternoons. It was comprised of about fifty girls from grades nine through twelve.

The chorus took part in the annual Christmas Concert and Spring Concert. Many of the girls also took part in the production of "Flower Drum Song."

A great deal of recognition should be given to Pamela Diefendorf, our accompanist and our director, Mr. Lane

Majorettes

The Majorettes are composed of a select group of girls in their Freshman through Senior years of high school. They march during the half at the football games and at all local parades with the band. They also participate in the Annual Spring Concert.

The Majorettes are now busy trying to earn some money to pay for their new uniforms purchased this past Spring.

They put much time and effort in their work and are a credit to our school.

This year, the dance band, under the direction of Mr. Wilcox, made itself a well-known organization of the school. The band participated in both the fall and spring concerts as well as entering the dance band competition in Pavilion. There they received an excellent rating. Their fine showing proves that with hard work and determination many things may be accomplished.

In terms of their won-lost record, the 1962 Le Roy football team could not be said to have had a successful season. The Oatkan Knights' only victory in the tough Central Western Conference came in the fourth game of the season at the expense of Gates-

Chili.

The team as a whole lacked experience with the starting line-up dotted by many Sophomores and Juniors. Only three Seniors will be lost by graduation and a vast improvement can be expected in the coming season.

Junior Varsity Football

The Junior Varsity team this year had a fairly good season, having won two games out of a total of six played. The two victories were with Brighton, 15 to 7 and Gates-Chili, 37 to 6. The linesmen of the team were Barry Scott, Danny Yauchzee, Bill Falcone, Jerry Powers and Jerry Pangrazio and the strong backs were Walter Williams, John Conlon, Tim Brown, Dennis Boatfield, Tom East and Tom Calmes. Both Coach Graney and Coach Fenton are looking forward to a good season next year for the J.V. Squad.

Varsity Basketball

Words cannot express how proud we are of you, Coach George Rudman, and your fabulous team.

Drawing record breaking crowds at home and away, the mighty O-AT-KAN Knights proved themselves more than capable of becoming an official member of the Monroe County "A" League. This year Coach George Rudman's Knights totaled up a record-breaking 21 "straight" wins and 1 loss and a game average of over sixty points per game.

Combined determination and teamwork saw the Knights win 21 straight victories. The superb shooting of Tim McCulley saw him set another school record of 47 points in one game. The excellent help from Ben Wright, Iggy Vinci, Gary Roth, Dick Scott and ace rebounder, 6'5" Rod Gillmor proved enough for their opponents.

In the Sectionals, the Le Roy Knights first defeated Dansville. At the War Memorial, the

team faced "Enemy No. 1" Pittsford in the quarterfinals and turned the tables on them compared to last year's 44-45 defeat and beat them 28-26. Defeating Wayne Central in the Semi-finals, made the Knights eligible to play a tough Waterloo team in the finals. Playing a great game and showing their superb sportsmanship, the Knights dropped their first loss of the year.

Winning special recognition on the Section 5 Class A All-Star Team were Tim, Ben and Rod - 3 of the 5 boys chosen. Tim also was named Best All-Around Player, Performer and Clutch Performer. Dave Orlando was named Best Substitute. The team as a whole was named "Best Comeback Team."

Good Luck to you Coach Rudman and the good team you will have next year.

Girls' Athletic Association

The success of this year's G.A.A. can be accredited to its' fine, outstanding officers: Darleene Peters, president; Diane Papke, vice president; Karen Merica, secretary and Linda Platek, treasurer.

As a tradition, the girls along with the boys did a splendid job on the gym demonstration presented to the public.

Team work and ability led the Senior girls on to win the Little Olympics. However strong competition from the other classes really gave them a struggle.

Other activities included field hockey, basketball, bowling, volleyball, badminton, tennis and baseball, which helped round out the year.

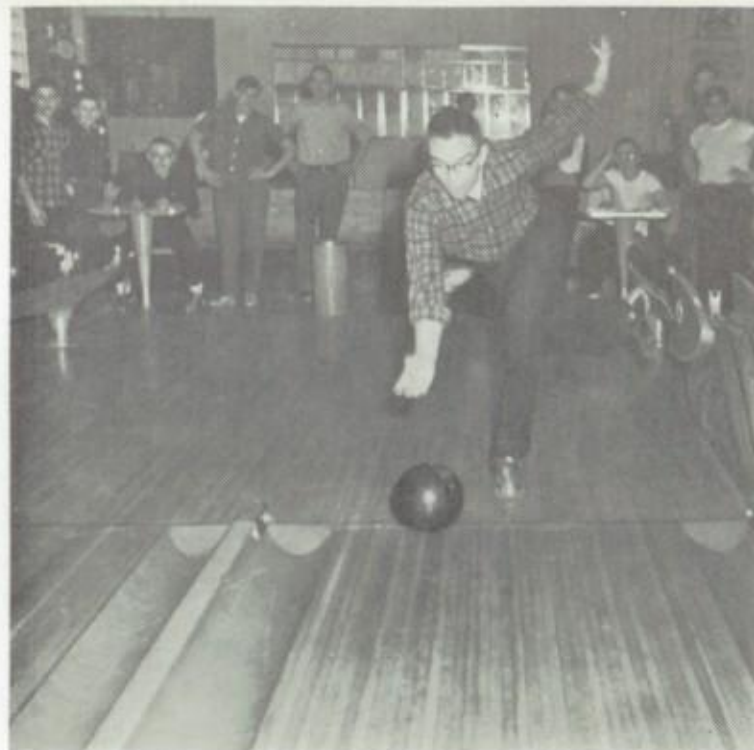

G.A.A. OFFICERS: D. Papke, Vice President; D. Peters, President; L. Platek, Treasurer; M. Bald, Secretary.

Boys' Athletic Association

B.A.A. OFFICERS: I. Vinci, Secretary, A. Wade, Treasurer; T. McCulley, President; J. Lapp, Vice President.

The Boys Athletic Association began this year by electing the following officers: President, Tim McCulley; Vice President, Jim Lapp; Secretary, Iggy Vinci; and Treasurer, Allan Wade.

The objective of the association is to give each boy who is not participating in any Varsity sport a chance to play an intramural sport. Basketball, volleyball and bowling are among these sports.

The club enables the boys from grades 9-12 to learn the qualities of sportsmanship and fair play.

Grade School Chorus

The Wolcott Street School Chorus is made up of students from the Fifth and Sixth Grades. The group meets once a week for one half hour. The members are chosen because they have the ability to sing in tune without accompaniment and do not participate in the instrumental program.

Usually they perform at the Christmas and Spring Choral Programs held in the High School. Every other year they take part in the large program presented by all the Fifth and Sixth Graders. They also participate in Assembly Programs.

The Children's Library

The children's section of the Woodward Memorial Library has the same purpose as the adult library — to introduce Le Royans to the best in literature. Under Miss Winifred Shores, the children's library performs this service very well. It contains over nine thousand books by the best authors of juvenile literature in the United

States today, among which are several autographed copies and first editions.

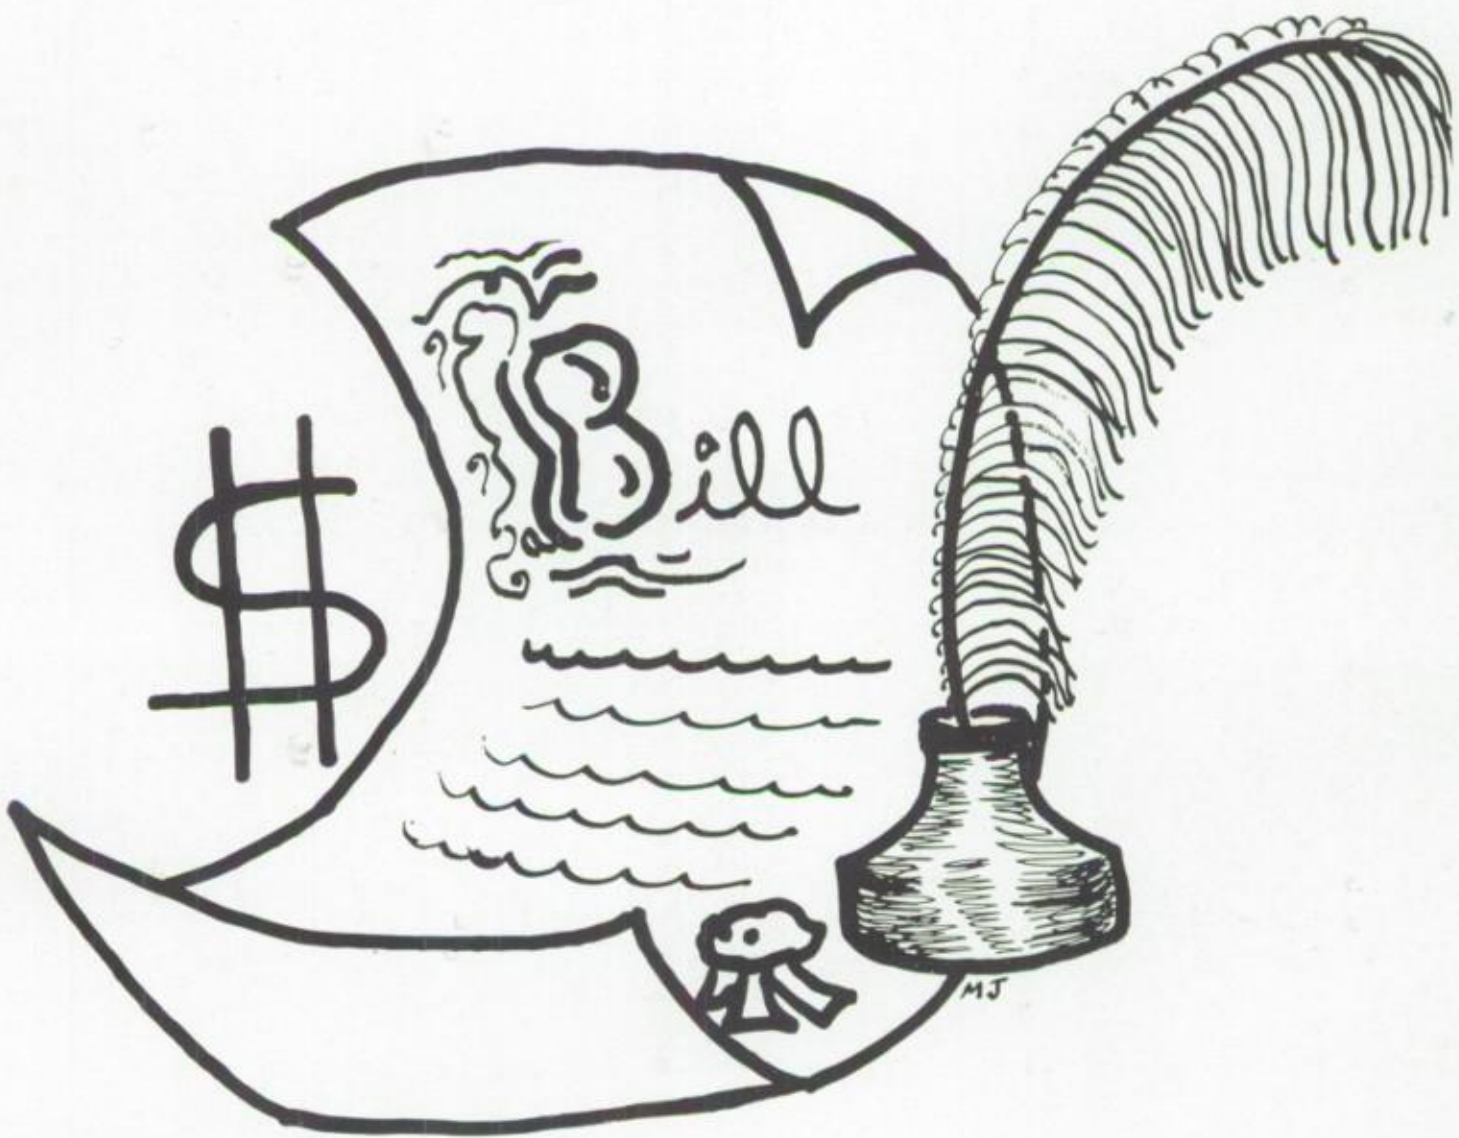

Over nine hundred children use the library regularly every week, and several serve as assistants to Miss Shores, giving forty hours of service every year, for which each receives a pin in June to honor his efforts.

YEARBOOK DIVISION

28 South Union Street • Rochester 7, New York

In looking back through this year we may experience a feeling of regret that our happy school days in Le Roy are over. The "L" and all its many qualities have truly equipped us well for the task ahead of us. We now face the world confidently. Our teachers have done their best; our parents have given their utmost and our high school friends have left many lasting impressions upon us. It is now up to us to determine our role in the life to come. I'm sure we will try to prove ourselves worthy of our education here — the school which is now our Alma Mater.
